SUMMARY

As stated on the record, the Court intends to lift the stay so that a finalized petition may be filed and this matter may proceed. Within seven days of the date of this Order, the parties shall meet and confer and submit a joint statement confirming the days remaining for Petitioner to file a finalized petition once the stay is lifted. The parties may briefly address any other issues (such as the approval of a Phase II budget) they deem relevant. After receipt of the joint statement, the Court will issue a further case management order.

Court to issue order.
